Let your creativity SOAR this summer!

THE CHELTENHAM CENTER FOR THE ARTS SUMMER CAMP is specially designed for children ages 5-12 who enjoy the visual and performing arts. Our mission is to provide a rich set of opportunities to develop creativity. Each day campers, grouped by age, participate in two to four classes including sculpture, drawing, painting, ceramic art and theater. During each 2-week session we'll explore a new theme in surprising ways. Come spend your summer making art with us!

PAINTING, DRAWING & PRINTMAKING

Students gain skills in various painting media, drawing techniques, and printing processes such as embossing, stamping, monoprints and collagraphs.

CERAMICS, SCULPTURE, COLLAGE & ASSEMBLAGE

Students use found objects, traditional art materials, paper maché and paint to create 3-Dimensional pieces. Students explore clay through pinch, coil and slab building to make anything from functional pottery to hand built sculpture.

THEATER

Get up and play! Professional theater artists guide campers through acting techniques via games, improvisation and storytelling. All campers have a chance to perform in our theater on the final day of each session!

SWIM TRIPS TO CONKLIN POOL

Conklin Pool is a 5-minute bus ride away, and provides supervised free swim for our full-day campers each Wednesday afternoon. The pool is life-guarded and counselors are in each part of the pool to supervise. Pool trips during Sessions 1-4 only.

SPECIAL PROGRAMS

Special programs such as guest artists, storytellers and theater performances will take place throughout the summer.
