JOIN US FOR SUMMER CAMP 2023!

THE CHELTENHAM CENTER FOR THE ARTS SUMMER CAMP is specially designed for children ages 5-12 who enjoy the visual and performing arts. Our mission is to provide a rich set of opportunities to develop creativity. Each day campers, grouped by age, participate in two to four classes including sculpture, drawing, painting, ceramic art and theater. During each 2-week session we'll explore a new theme in surprising ways. Come spend your summer making art with us!

PAINTING, DRAWING & PRINTMAKING

Students gain skills in various painting media, drawing techniques, and printing processes including embossing, stamping, monoprints and collagraphs.

CERAMICS, SCULPTURE, COLLAGE & ASSEMBLAGE

Students use found objects, traditional art materials, paper maché and paint to create 3-D pieces. Students explore clay through pinch, coil and slab building to make anything from functional pottery to hand built sculpture.

THEATRE

Get up and play! Professional theater artists guide campers through acting techniques via games, improvisation and storytelling. All campers have a chance to perform in our theater on the final day of each session!

SWIM TRIPS ARE BACK!

We are thrilled to resume pool visits this summer. Conklin Pool is a five-minute bus ride away, and provides supervised free swim for our summer campers. Each child is given a swim test to determine their ability level. The pool is life guarded and counselors are in each part of the pool to supervise. Sessions 1-4 only. Session 1, no pool trip 7/5.

OUR STAFF

All classes are led by professional art teachers chosen for their experience and love of working with kids. Our enthusiastic, college age counselors will stay with your child's age group throughout their camp session. Full-day campers bring their own lunch and water bottle, and picnic together with their counselors from noon-12:30pm.

Please use a separate registration form for each camper.
